

2018 CCRA DOUBLES LEAGUE 1- June 11th - July 29th
REGISTRATION DEADLINE: Sunday, June 3rd

The purpose of this Doubles League is to offer a pre-arranged doubles game with new players of similar levels each week. Level rating described below. Players choose which day(s) to play, select which weeks not available and then the schedule will be made! Then just show up and play! A great way to meet new players and have a weekly game set up for you!

DAYS and TIMES: 3.5 – 5.0 level: Mondays 7:00pm Wednesdays 9:00am Sundays 9:00/10:30am
2.0-3.0 level: Tuesdays 7:00pm Thursdays 9:00am Saturdays 10:30am

How do I register? ALL players (regular or substitutes) must complete registration form and return with payment to Betsy by the deadline date (**Sunday, June 3rd**). No online registration. Hard copies and payment must be received in order to be placed in match schedule. Circle the dates you are **UNABLE** to play on the form, or make yourself 'available' to sub. You may register for as many league days as you like OR be listed as a sub for specific league days. OR be a sub for a day and on the schedule for other day(s). You pick based on your schedule!

What if something comes up and I cannot play when scheduled? There will be a list of **substitutes** and also those with an **A** in their box are available to play. Do NOT contact Betsy to assist in getting a sub for you. The matches have been assigned based on levels and please find a sub of appropriate level. In fairness to fellow players who have paid and registered, only registered players are allowed to sub. Any non-registered player who does play, must then register, he/she will be added to the sub list and must pay the league sub registration fee of \$15.00. If you have gotten a sub, notify your Captain.

What is the responsibility of the Captain? For each match, there will be a **CAPTAIN**. This captain will be responsible to contact the other 3 players *at least* three days ahead to remind them they are scheduled to play and to notify all if match is cancelled due to wet conditions. Thus on questionable days, he/she needs to make the decision in advance if the courts are playable. The captain will also provide a new can of balls. Should the match be cancelled for any reason besides rain, **please** cancel the court asap.

Is there a fee? The cost to be a **regular** for each league day registered is **\$25.00**. (i.e. **Monday and Sunday: \$50.00**) To register as a **sub** for each league, the fee is **\$15.00**. You do not pay per match that you are schedule to play. There will be no refund or credit after the schedule has been made and players must still find a sub.

How do I know when and where I am scheduled to play? Several days after the deadline, the schedule will be made. Participants will receive their schedule via e mail. For each league, there will be a chart of names and dates. Each box next to your name will be **P, C, X or A**. You are scheduled to **Play**, you are the **Captain**, **X** not available and **A** available means you are not scheduled but available to play.

Is this Mixed? Ladies or Men's Doubles? By level? Foursomes will be different every week, based on who is available. Some days you will play in a mixed group or with fellow ladies/men. Players will be grouped according to level and every effort will be made to place players with different foursomes for each week. Thus, the more players that register, easier it is to group all accordingly with new players of appropriate levels.

How do I know which court? Who will be my partner? The number next to your letter will signify which group and which court. **P1** – play on court #1, **CP2** – Captain of court #2. Once on the court, you select whom will partner with whom, switch partners after each set, or stay with the same partner – up to you. Aim is to have all play a nice match!

How long do we play for? Do we report the scores? Be prepared to stay for at least two sets and please appear on time for your matches. The purpose of this league is to have a fun doubles game with new partners – results not important!

What if I miss the deadline date for the league? Once the schedule has been made and delivered, players cannot join league as a regular. However, one may join as a substitute anytime. Complete form and pay the necessary substitute fee.
