Lap Pool Guidelines...

The first lap lane is for the use of members who need to walk or swim slowly. You may use this lane for regular lap swimming if it is open; however, please move to another lane, even if you must share a lane, if any of our slower swimmers/walkers wishes to use the slow lane.

Please...

Lap Swimmers, when there are many lap swimmers wishing to use the pool, please share lanes with other lap swimmers. If two swimming, split a lane and if three need to share a lane, please swim in circular pattern. Thank you.
